

# FULL LINE PRODUCT GUIDE

## Customer Benefits

### Private Brand Program

Our in-house graphics department assists distributors in creating their own private brand including custom designed labels, product literature, MSDS, and Technical Data Sheets. Private label minimums (as little as 60 gallons) allow our distributors to sell their own brand while maintaining low inventory of each item.

### Marketing Support

Product Use and Sales Training Seminars are offered in our "hands on" Training Center, and at your location. Our regional sales people offer in-field training, and end user sales assistance.

### Guarantee

Warsaw Chemical products carry a full quality guarantee. Any product not meeting specifications within one year may be returned for credit. We offer more than 200 stock items; both liquid and powder. We produce several hundred custom/proprietary formulations for private label distributors.

### Shipping

Only 1,000 pounds required for FOB delivery on Warsaw Chemical's regularly scheduled trucks. Minimums as low as 2,000 pounds for FOB common carrier shipments east of the Rocky Mountains. West of Rockies, call us for FOB minimum requirements.

## Laboratory Services

### Quality Control

Every batch is certified by our chemists and a sample is retained for one year.

### Research and Development

Ongoing program to develop new and improved formulas.

### Analytical Services

We offer complete analytical service of products at our distributors request.

**WARSAW

WARSAW  
CHEMICAL

## Hand Dishwashing

### Deluxe

#### *Super Concentrated Hand Dishwashing Detergent*

Instantly emulsifies and removes grease and food deposits from dishes, glasses, silverware, and pots 'n pans. Enriched with skin conditioner. Floral scent.

### Rain

#### *Pink Lotion Hand Dishwash Detergent*

Quickly cuts through grease, leaves dishes spot and film-free. Creates long lasting suds and is gentle to the hands. Lemon scent.

### 60-40

#### *Hand Dishwash Powder*

Superior suds, extra cleaning powder. Free rinsing, non-streaking formula. 100% active.

### Sparkle

#### *Silverware Presoak/Detarnish*

Silverware brightener and heavy duty detarnisher. Aids in the reduction of water spots on flatware after cleaning and rinsing in dishwashing machines.

## Glass Washing

### Glow

#### *Liquid Glass Wash Concentrate*

For sparkling clean glassware. Easy on hands. Designed for manual brush cleaning. Use in first tank.

### No Foam

#### *Liquid Glass Wash Concentrate*

Special non-sudsing formula. Designed for use with electric brushes. Use in first tank.

### Clear Glass Rinse

#### *Liquid, for Spot Free Crystal*

Breaks the surface tension of water. Rinse water sheets off. Concentrated, economical. Use in last tank.

### Xtra

#### *Liquid Disinfectant and Sanitizer*

Quaternary type. Sanitizes all bar glassware. EPA registered.

# FOOD SERVICE & LAUNDRY

## Low Temperature Machine

### Low Temperature Detergent

*Liquid Detergent Concentrate*

Formulated for use in low temperature mechanical warewashing machines.

### Low Temperature Chlorine

*Liquid Concentrate*

Formulated for use in low temperature warewashing machines. Promotes free rinsing, and de-staining.

### Low Temperature Rinse Additive

*Liquid Concentrate*

A special blend to "sheet off" water and speed spot-free drying.

### Delimer NF

*Non-foaming Acid Detergent*

Removes lime scale, rust, oxidation, hard water stains, soap scum, detergent residue, coffee stains, and milkstone.

## Hot Temperature Machine

### Machine Dishwash Chlorinated Powder

*Dishwashing Powdered Detergent*

Chlorinated to keep coffee, tea, and lipstick stains from depositing on china and plastic dinnerware. Prevents mineral build up.

### Machine Dishwash Chlorinated Liquid

*Dishwashing Liquid Detergent*

Convenience of a liquid. Free rinsing. Removes tea and coffee stains. Prevents mineral build up.

### Rinse Injector

*Super Concentrated Liquid*

Eliminates water spots. Specially designed for use in the rinse injector system of your dishwasher.

## Oven, Grill, Fryer Cleaners

### Vista

*Oven and Grill Cleaner*

Ready to use. Removes heavy, baked-on carbon deposits, grease and oil from ovens, grills, and deep fat fryers.

### Vista Plus

*Concentrated Oven and Grill Cleaner*

Extra strength for those tough to clean surfaces.

### D-Fat

*Powdered Deep Fat Fryer and Grill Cleaner*

Emulsifies and dissolves caked-on grease and carbon. Cleans completely and thoroughly.

## Solid Dishwashing

### Solid Dishmachine Detergent

*Extra-Strength Solid Detergent*

Designed to quickly remove food soils in the most challenging water conditions, delivering sparkling clean china, glassware, stainless, and other materials.

### Solid Flatware Pre-Soak

*Solid Enzyme Activated Pre-Soak*

Effectively removes food soils and film from flatware.

Dispenser controlled delivery assures maximum economy, with consistent sparkling results.

### Solid Pot & Pan Detergent

*Solid Hand Dishwash Detergent*

Designed to quickly emulsify greasy food soils and produces rich, long lasting suds. Dispenser controlled delivery assures maximum economy.

## Laundry

### Nu Blu

*Laundry Detergent Powder*

High-powered grease releasing formula. Effective on tough, greasy industrial and institutional stains. Controlled suds for easy rinsing. Contains optical brighteners.

### Institutional Laundry Detergent

*Powder*

Economical, efficient powder. Removes tough dirt and stains. Controlled suds to allow proper washing and thorough rinsing action.

### Laundry Detergent Liquid

*Contains Fabric Softener*

Removes tough dirt and stains. Leaves clothing soft and static free.

### Oxygen Bleach

*Powdered Bleach for Colors*

Use on all fabrics and colors that are tub fast. Very effective on blood and protein stains.

### Dry Chlorinated Bleach

*Powdered Chlorine Bleach*

Formulated to be more effective and more convenient than liquid bleaches. Whitens and brightens fabric.

### Fabrosoft

*Liquid Fabric Softener*

Softens, whitens and brightens all fabrics. Stops static cling. Super concentrate.

# DISINFECTANT

WARSAW  
CHEMICAL

## Disinfectant / Deodorants

### 256

*Disinfectant / Mildewstat / Fungicide / Virucide®*

Effective against Canine Parvovirus (CPV). For use in veterinary, schools, nursing homes, households, commercial, institutional, industrial locations. EPA Registered.

### DDDS Wintergreen

*Detergent / Disinfectant / Deodorizer / Sanitizer*

Wintergreen scented, hospital grade, neutral quaternary detergent. Cleans, deodorizes, and disinfects in one step. Will not dull floor finish. 2 oz. dilution. EPA Registered.

### DDDS Pine

*Detergent / Disinfectant / Deodorizer / Sanitizer*

Pine scented, hospital grade, quaternary detergent. Cleans, deodorizes, and disinfects in one step. Will not dull floor finish. 2 oz. dilution. EPA Registered.

### DDDS Lemon

*Detergent / Disinfectant / Deodorizer / Sanitizer*

Lemon scented, hospital grade, quaternary detergent. Cleans, deodorizes, and disinfects in one step. Will not dull floor finish. 2 oz. dilution. EPA Registered.

### One Step

*Neutral pH Disinfectant / Detergent / Deodorant*

Concentrated, multi-purpose, and odorless quaternary detergent. Disinfects, cleans, and deodorizes in one labor-saving step. Kills HIV-1 (AIDS), Herpes, Hepatitis C. Will not dull finish. 2 oz. dilution. EPA Registered.

### Xtra

*Disinfectant / Sanitizer / Deodorizer / Algaeicide*

Requires no potable water rinse for sanitizing food processing equipment and food contact surfaces. 1/4 oz. dilution for sanitizing. EPA Registered.

### TB Quat

*Quaternary Disinfectant / Detergent / Deodorant*

Tuberculocidal disinfectant and cleaner. Ready-to-use. Use on all hard, nonporous surfaces. EPA Registered

## Deodorants

### Air Essence Cinnamon

*Concentrated Odor Counteractant*

Eliminates odors at their source. Available in other fragrances.

# WASHROOM SANITATION

## Washroom Sanitation

### Poly Ortho

*Disinfectant Toilet Bowl / Urinal Cleaner*

23.90% hydrochloric acid. Cleans, disinfects, and deodorizes. Removes stains, rust, and heavy build up. EPA Registered.

### Pan-A-Sol

*Cleaner for Porcelain / Toilet Bowls / Urinals*

10.46% hydrochloric acid. Cleans and deodorizes. Wintergreen scent.

### TBC

*Disinfectant Toilet Bowl / Urinal Cleaner*

9.5% hydrochloric acid. Cleans as it changes color. Removes lime, hardwater stains, and urinary salts. Hospital strength. Wintergreen fragrance. EPA Registered.

### Cling TBC

Same as TBC but detergent thickened. Clings to vertical surfaces.

### Stay

*Disinfectant Toilet Bowl / Porcelain / Shower Tile Cleaner*

14.9% phosphoric acid. All purpose restroom cleaner. Cleans and brightens porcelain, fiberglass, ceramic tile, stainless steel, and chrome. Wintergreen fragrance. Clings to vertical surfaces. EPA Registered.

### Liquid Scour

*Liquid Creme Cleanser*

Mild abrasives remove soap scum, stains, and soil. Non-acid and non-fuming. Sassafras fragrance.

### Bath Brite

*Porcelain / Toilet Bowl / Shower Tile Cleaner*

14.9% phosphoric acid. All purpose restroom cleaner. Cleans and brightens porcelain, fiberglass, ceramic tile, stainless steel and chrome. Wintergreen fragrance. Packaged in case 12 pints for retail sale.

### Total Restroom Cleaner

This product is a heavy duty, concentrated cleaner formulated to quickly remove soap scum, body oils, water spots and light rust from restroom surfaces. Formulated with a unique blend of organic acid and powerful surfactants to quickly dissolve and suspend soils for easy removal. It produces a rich, clinging foam that clings to vertical surfaces.

### Subtle 1

*Germicidal, Disinfectant, Deodorant, Cleaner*

Acid-free, ready-to-use disinfectant, cleaner, deodorant for use on all hard, nonporous surfaces. Floral fragrance. EPA Registered.

### Subtle 4

*Non Acid Bowl Cleaner*

Mild, non-acid formulation designed for every day use. Cleans, deodorizes, and disinfects all washroom surfaces. Fresh scent. EPA Registered.

### Drain Opener

*Drain Cleaner*

Powerful formula opens slow running drains by dissolving grease, hair, soap scum, and debris. Fast acting, non-acid, non-fuming.

### Eliminator

*Liquid Bacteria / Digester / Spotter*

Bacteria produced enzymes digest organic wastes, eliminating the source of odors. Instant odor control for drains, grease traps, and pet odors.

# MAINTENANCE

WARSAW  
CHEMICAL

## All Purpose Cleaners

### G-65

#### *General Purpose Cleaner*

Highly concentrated liquid detergent. Combines quality and versatility with fast cleaning action. Leaves surfaces clean and film free.

### APC

#### *All Purpose Cleaner*

Industrial strength cleaner. Fortified with butyl. Cleans even in the presence of glass, aluminum, and stainless steel without etching or streaking. Concentrated.

### Citrus Oxygenated

#### *All Purpose Cleaner*

Concentrated, truly remarkable cleaner fortified with natural citrus cleaning power and hydrogen peroxide (H<sub>2</sub>O<sub>2</sub>). This stable combination along with a specialized surfactant system quickly attacks the most stubborn soils and stains.

### H202 Citrus All Purpose Cleaner

Truly remarkable cleaner, combining the power of natural citrus solvent, premium detergents, and hydrogen peroxide. The complete environmentally friendly cleaning system.

### All Purpose Cleaner/Degreaser

This powerful cleaner/degreaser is the environmentally preferred solution, formulated to tackle the most difficult cleaning tasks. A unique blend of biodegradable surfactants penetrates and breaks down greases, oils and fats on all water safe surfaces.

## Ready-To-Use All Purpose Cleaners

### Orange Fury

#### *Ready-to-use Foaming Degreaser*

Heavy duty foaming cleaner / degreaser. Fortified with natural citrus solvent.

### Insta Clean

#### *Ready-to-use Cleaner / Degreaser*

Fast acting, hard surface spray cleaner. Quickly penetrates and removes soils.

# MAINTENANCE

## Industrial Degreasers

### Charge

*Detergent / Degreaser Concentrate*

Super strength non-butyl degreaser. Excellent for use in automatic scrubbers and pressure washing equipment.

### Orange 88

*Degreaser / Deodorant / Drain Cleaner*

Non-butyl cleaner / degreaser with d-limonene. Cleans grease and heavy oil deposits as it deodorizes.

### Orange 90

*Degreaser / Deodorizer / Drain Cleaner*

Natural citrus water-based degreaser, all natural solvent degreaser with d-limonene. Cleans grease and heavy oil deposits as it deodorizes.

### Smash

*Non-butyl Cleaner / Degreaser / Deodorant*

Revolutionary blend of water-soluble components, surfactants, and detergents. Dissolves and emulsifies grease fast. Excellent for use in automatic scrubbers.

### D then C

*Non-butyl Cleaner / Degreaser*

(Dilute then Clean) super concentrate, industrial strength degreaser. Cuts through greasy buildups and heavy encrustations fast. Great for kitchen and restaurant degreasing. Effectively replaces butyl degreasers.

### Fastball Super Concentrate

*Concentrate Cleaner / Degreaser / Deodorizer*

1 Part Fastball to 5 Parts Water for Ready-to-use.

### Institutional AD2000

*Detergent / Degreaser Concentrate*

Butyl-based alkaline detergent designed for industrial and institutional heavy duty cleaning. 14.40% total activity.

### AD2000

*Industrial Strength Degreaser*

Super concentrated, butyl-based degreaser. Formulated to penetrate and remove heavy industrial grease. 25.58% total activity.

## Ready-To-Use Cleaners / Degreasers

### Fastball

*Ready-to-use Cleaner / Degreaser / Deodorizer*

Industrial strength, heavy duty cleaner and degreaser. Quickly penetrates and removes dirt, grease, oil films, fingerprints, crayon, ink, pencil marks, smoke film, etc. Fortified with butyl and pine oil.

### Fastball Aerosol

*Ready-to-use Foaming Cleaner / Degreaser / Deodorizer*

## Glass Cleaners

### Sunny Streakless

*Ready-to-use Glass and Hard Surface Cleaner*

Institutional strength formula fortified with ammonia. Removes dust, dirt, grease, fingerprints, and smoke film from glass and other hard non-porous surfaces. Will not streak or leave a film.

### Sunny Streakless Aerosol

*Ready-to-use Foaming Glass and Hard Surface Cleaner*

### See-Thru

*Ready-to-use Glass and Hard Surface Cleaner*

Contains no ammonia or petroleum solvents. Dissolves dust, dirt, grease, fingerprints, etc. Use on glass, plexiglas, CRT screens, light fixtures, copiers, etc.

### Streakless

*Concentrated Glass and Hard Surface Cleaner*

Non-ammoniated. One gallon makes 4 gallons. Will not streak or smear.

### Coopers

*Concentrated Glass and Hard Surface Cleaner*

Quickly penetrates and dissolves soils. Fortified with ammonia. One gallon makes 9 gallons of ready-to-use product. Will not streak or smear.

### Glass Cleaner Concentrate

This environmentally preferred glass cleaner has been specially formulated with a unique blend of surfactants to quickly penetrate, emulsify and remove dirt quickly and easily. It cleans and polishes without scratching or streaking. Green Time Solutions Glass Cleaner Concentrate is the perfect product for glass, mirrors and many other hard surfaces.

## Lime Removers

### NAM #1

*Concentrated Lime Remover*

Versatile, economical, mild acid lime remover formulated to remove unsightly build-up of mineral deposits and lime scale. Cleans, descales, and deodorizes. Contains phosphoric acid.

### Delimer NF

*Non-foaming Acid Detergent*

See Food Service Products

### Lime Solve

*Heavy Duty Lime / Scale / Rust Remover*

Formulated to remove heavy deposits of lime, calcium, urinary salts, iron, concrete, rust, and other mineral deposits. Contains hydrochloric acid and a corrosion inhibitor.

# FLOOR CARE & CARPET

WARSAW  
CHEMICAL

## Finishes

### Seal Finish

#### *Heavy Duty Sealer / Finish*

Use alone, or as a base coat to seal and condition floors. Enhances gloss. Low maintenance.

### Results

#### *High Gloss Floor Finish*

Metal interlocked acrylic polymer finish. Easy to apply and maintain. Will not powder or yellow. Self-sealing. Low maintenance. 16% solids.

### Integrity

#### *High Gloss, Extended Wear Floor Finish*

Metal interlocked acrylic polymer finish. Brilliant, high gloss finish provides a durable long lasting shine. Self-sealing. Low maintenance. 18% solids.

### Renown

#### *High Gloss, High Solids Floor Finish*

Metal interlocked acrylic polymer finish. Super durable formula provides an easily maintained long lasting shine. Self-sealing. Low maintenance. 25% solids.

### Optimum

#### *Ultra High Speed Floor Finish*

High response formula. The professional choice for optimum gloss, durability and reparability. Designed to be used with high speed and ultra high speed buffing equipment. High maintenance. 20% solids.

### Endure

#### *Ultra Durable Floor Finish*

Utilizing the latest technology in cross-linked polymers, and providing an extremely deep gloss and long wearing finish. The finish resists scuffing and scratching making it ideal for Educational and Retail facilities. 25% solids.

### Floor Finish

This is a premium environmentally preferred floor finish. Developed using highly advanced polymer technology, this acrylic co-polymer based finish has exceptional performance properties and can be maintained with conventional procedures. 20% solids.

## Gym Floor Products

### DuraPrep

#### *Hardwood Floor Cleaner*

It is a concentrated, pH neutral cleaner formulated for maintenance of sealed hardwood floors. It is recommended as a non-oily dust treatment, mark remover, auto scrub cleaner and pre-seal prep.

### DuraSport

#### *High Performance Wood Floor Finish*

Ready-to-use, 31% self cross-linking water based wood floor finish. Strong, resilient protection, no catalyst required, fast dry and recoat. Low odor, repairable, coverage up to 1000 sq. ft. per gallon.

# FLOOR CARE & CARPET

## Floor Finish Maintainers

### Maintain

#### *Neutral pH Detergent*

Damp mop detergent for finished floors. Will not dull, haze, or leave a film. Contains optical brightener to enhance gloss. Use with mop and bucket or automatic scrubber.

### Neutral Floor Cleaner

This is the environmentally preferred product for daily maintenance of high gloss, finished floors. Formulated with a unique blend of biodegradable surfactants it will quickly penetrate, emulsify and suspend light to medium soils for easy removal without attacking the gloss of the floor.

### Luster +

#### *One Step Cleaner and Gloss Enhancer*

Provides easy maintenance of your lustrous high gloss, "Wet-Look" shine. Extends the life of your floor finish. Deep cleaning power leaves floors spotlessly clean and eliminates dingy buildup and soil penetration. Cleans completely, allowing error-free recoating when necessary.

### Spray Buff

#### *Thermoplastic Spray Buff*

Cleans and polishes floor finish. Removes black heel marks, scuffs, scratches, dullness, and leaves floor slip resistant. For use with low or high speed machines.

### Restore

#### *Thermoplastic Floor Gloss Restorer*

Restores floor finish to that "just waxed" shine. Mop on, let dry, and buff.

## Strippers

### Re-Move

#### *Non-ammoniated Floor Finish Stripper*

Ultra concentrated. Formulated to remove excessive long-term build up of floor finishes.

### All Strip

#### *Non-ammoniated Floor Finish Stripper*

Formulated to remove all metal interlocked finishes.

### AD2000

#### *Industrial Strength Degreaser*

Highest pH all purpose degreaser. Fortified with butyl solvent. Excellent for removing heavy, excessive long term build-ups of floor finish.

### Mop On

#### *Rinse Free Stripper*

Quickly strips difficult finishes without leaving a residue. Mop on...agitate...pick-up.

### Floor Finish Stripper

Green Time Solutions Floor Finish Stripper is the environmentally preferred choice. Formulated to remove Green Time Solutions Floor Finish and other cross-linked floor finishes. This low odor formula is fast acting and pleasant to use.

[www.Warsaw-Chem.com](http://www.Warsaw-Chem.com)

## Image Carpet Care System

### Revenge

#### *Stain and Odor Remover*

Bioenzymatic cleaning blend removes spots, stains, and malodors. Effective on food, urine, vomit, blood, grass stains, coffee, juices, grease, mildew, and much more.

### Challenger

#### *Heavy Duty Traffic Lane Cleaner / Prespray*

A powerful prespray designed to remove oil, grease, and other tough embedded soils.

### Extract

#### *Carpet Cleaner Concentrate*

Low foam liquid carpet cleaner designed to be used with hot water extractors and bonnet systems. Powerful detergents lift and dissolve embedded soils. Leaves no residue.

### 32 to 1

#### *Carpet and Upholstery Shampoo*

High foaming carpet shampoo for use by hand or with rotary floor machines and foam shampoo machines.

### D-Foam

#### *Defoamer Concentrate*

Eliminates foam in recovery tanks of hot and cold water extractors, automatic shampooing equipment, and floor scrubbers.

### Rust Rid

#### *Rust remover from carpets and fabrics*

Ready-to-use formula that has a mild pH and requires no neutralizing. When instructions are followed, Rust Rid is user safe.

# TRANSPORTATION

WARSAW  
CHEMICAL

## Hand Carwash Products

### 60 – 40

#### *Carwash Powder*

Mild but effective. Contains cleaning, wetting, penetrating, and water softening agents. 100% active. No fillers added. Completely water soluble.

#### **Wash Wax**

##### *Carwash Liquid*

Liquid concentrate for one step washing and waxing. Produces rich, high suds for extra cleaning power. Leaves an attractive, protective, real wax coating. Water “beads-up” to prevent water spotting. Prevents oxidation.

#### **Blue Moon**

##### *Universal Carwash Liquid*

Liquid carwash detergent concentrate. Ideal for both hand washing and automatic car washes. High foaming detergent ideal for foam brush applications.

## Truck Wash Products

### **Power Wash**

#### *Pressure Washer / Liquid Concentrate*

High foaming cleaner ideal for cleaning all transportation vehicles. Also great for vinyl and aluminum siding. Will not etch glass or aluminum.

### **Dynamite**

#### *Concentrated Liquid*

Truck and trailer wash formulated specifically to remove bugs, road film and exhaust deposits. Cleans all painted vehicle surfaces without brushing. For use through hot or cold high pressure washing equipment.

### **Blast Off**

#### *Liquid Truck Wash*

Concentrated alkaline high sudsing. Can be used as both high pressure detergent and low pressure presoak.

### **CRC – Concrete Remover Concentrate**

#### *Concrete Remover*

Especially designed for use on Ready-Mix trucks, cementing tools and equipment, mold, cement storage containers, mixing vessels, and forms. Efficient neutralization capability, low odor. Highly water soluble, excellent rinseability, leaving no film on vehicles.

# TRANSPORTATION

## Vinyl & Rubber Dressings

### Trophy

#### *Water-Based Dressing*

Clean, protect, beautify, and restore leather, rubber, plastic, vinyl, fiberglass, and wood. Returns dull, worn surfaces to their original luster.

### Rubber Magic

#### *Solvent-Based Dressing*

Exterior dressing for tires, moldings, bumpers, vinyl trim, etc. This special blend of silicone and solvents produces a brilliant long-lasting shine. Vanilla scent.

## Windshield Cleaners

### Bug Off

#### *Windshield Cleaner*

Designed for use at service station islands. Removes bugs, tree sap, dirt, and road film. Leaves no film, no streaks, and no smears. Concentrated, one gallon makes 128 gallons of windshield washing solution. No offensive ammonia odor.

### See

#### *Windshield Washer Solvent*

Super concentrated solvent, anti-freeze, and cleaner. 1 drum makes 2 or 3 drums of ready-to-use cleaner.

## Tire Products

### Whitewall Tire Cleaner

#### *Liquid Concentrated Tire Cleaner*

Loosens, penetrates, and washes away dirt, grease, and road grime. Bleaches as it cleans. Also formulated to be used as a steam cleaner for motors, parts, housings, and machinery.

### Slick

#### *Tire Mounting Lubricant*

Water-based lubricant for quick mounting and dismounting of tires. Thick clinging formula. Contains rust inhibitors.

### Big Blue

#### *Tire Mounting Lubricant*

Lubricates and renews rubber and vinyl parts. Contains effective rust inhibitors to prevent rim rust on tire rims; anti-slip formula.

## Concrete Floor Cleaners

### DJ Concrete Cleaner

#### *Heavy Duty Powder Concrete Cleaner*

Available in orange or white. Quickly penetrates grease, oil, and dirt. It dissolves, loosens, and suspends heavy embedded soils and allows them to be rinsed away. Will not leave a residue. Pine scented.

### Pine Concrete Cleaner

#### *Powder Concrete Cleaner*

Traditional formula. Quickly penetrates and loosens grease, oil, and dirt. Pine scented.

### Regular Orange Concrete Cleaner

#### *Economical Powder Concrete Cleaner*

Formulated for clean up of grease and oil from sealed concrete floors that are maintained regularly.

## Aluminum & Stainless Steel Cleaners

### JD Aluminum

#### *Aluminum / Stainless Steel Cleaner*

Concentrated cleaner, brightener, and conditioner. Restores original luster and shine. Strips oxidation, removes soil, dirt, and exhaust film.

### Aluminate

#### *Aluminum / Stainless Steel and Kemlite Wall Cleaner*

Super concentrated cleaner, brightener, and conditioner for satin finish on over-the-road trucks and trailers. Removes heavy soil, grease, soap scum, and hard water deposits from carwash kemlite walls.

## Parts Cleaners

### Stripper 105

#### *Hot Tank Dip*

Detergent designed to be used for steel and cast iron parts. Do not use on aluminum.

### Stripper 410

#### *Hot Tank Dip*

Detergent designed to be used for all metals including aluminum.

# HAND CLEANERS

WARSAW  
CHEMICAL

## Gritmaster Lineup

All Gritmaster hand cleaners are packaged in our proprietary 4731ml (1.25 gallon) bottles.

### Citra Clean

VOC Compliant

Heavy duty, waterless that contains a special blend of citrus oils to cut through and remove dirt, grease, grime, ink, carbon, paint, adhesives, and tar. It is fortified with skin conditioners to help skin retain its natural moisture and aloe vera that provides refreshing relief.

### Natural Touch

VOC Compliant

Combines natural citrus oils and soybean oils with the scrubbing action of pumice to clean really dirty hands. Fortified with skin conditioners and aloe vera to maintain healthy skin.

### Homerun

VOC Compliant

Heavy duty, solvent-free. Will not dry, crack, whiten, or harm sensitive skin. Contains micro scrubbers to remove the toughest soils.

### Maxi Blue

Low odor solvent. Contains a special blend of cleaning oils and orange terpenes to tackle the most stubborn industrial soils. Enriched with skin conditioners and aloe vera to protect hands from drying. Fortified with pumice.

### Krystal

VOC Compliant

Premium heavy duty industrial strength. Enriched with skin conditioners, solvents, and detergents to remove stubborn industrial soils. Contains micro scrubbers and pumice.

### Cherry Scrub

VOC Compliant

Solvent-free cherry scented has tiny scrubbers that dig deep to remove tough soils without irritation. Contains a mild surfactant blend to emulsify stubborn soils. Synthetic detergents produce a rich lather to carry away the worst of soils. Rinses freely without leaving a soapy film on the hands.

### Cherry Scrub Plus

Heavy duty industrial strength pumice hand cleaner designed to remove tough soils without irritation. Mild, low odor solvent formula has a pleasing cherry fragrance that effectively neutralizes residual odors of diesel and other petroleum products from hands. Formulated with emollients that prevent dryness, by replacing skin oils, leaving hands soft.

## Light Duty

(Offices, Schools, Institutions, Public Buildings)

### Office Hand Soap

*Lotion Hand Cleaner*

VOC Compliant

Ready-to-use liquid hand cleaner. Leaves hands clean, soft, and smooth. Creates a rich lather to float soils away. Floral scent.

### All Purpose Hand Soap

*Liquid Hand Cleaner*

VOC Compliant

Ready-to-use liquid hand cleaner. Creates a rich lather as it cleans. Leaves hands clean, soft, and smooth. Lemon scent.

[www.Warsaw-Chem.com](http://www.Warsaw-Chem.com)

# HAND CLEANERS

## Hand Cleaners

### Before

#### *Pink Lotion Hand Cleaner*

VOC Compliant

Industrial strength lotion hand cleaner. Mild but effective. Use with or without water. Can also be used as a barrier cream for easy clean up after work. Our #1 seller.

### LoShun

#### *Lotion Hand Cleaner*

### Super HC

#### *Super Heavy Duty Hand Cleaner*

Lotionized hand cleaner enriched with a special solvent and super aggressive scrubber. Removes axle and fifth wheel grease. Orange scent.

### Homerun

VOC Compliant

Heavy duty, solvent-free. Will not dry, crack, whiten, or harm sensitive skin. Contains micro scrubbers to remove the toughest soils.

### Cherry Scrub

VOC Compliant

Solvent-free cherry scented has tiny scrubbers that dig deep to remove tough soils without irritation. Contains a mild surfactant blend to emulsify stubborn soils. Synthetic detergents produce a rich lather to carry away the worst of soils. Rinses freely without leaving a soapy film on the hands.

### Cherry Scrub Plus

Heavy duty industrial strength pumice hand cleaner designed to remove tough soils without irritation. Mild, low odor solvent formula has a pleasing cherry fragrance that effectively neutralizes residual odors of diesel and other petroleum products from hands. Formulated with emollients that prevent dryness, by replacing skin oils, leaving hands soft.

### Rough & Ready

#### *Industrial Paste Hand Cleaner*

Contains a special solvent and heavy duty pumice. Removes the toughest soils. Cleans, conditions, and protects hands. Fruit scent.

## Foaming Skin Cleaner

### Germ-A-Foam

#### *Foaming Anti Bacterial Skin Cleaner*

VOC Compliant

Provides a thick, rich foam to gently clean and kill bacteria that can cause disease. Formulated with lanolin, aloe vera, and other emollients, it leaves hands feeling soft and smooth even after repeated washes. This luxurious foam provides thorough cleaning while using almost 50% less liquid than traditional liquid soaps.

### Luxury Gold

#### *Foaming Skin Cleaner*

VOC Compliant

An extra gently foamy hand cleaner. Formulated with the mild cleaning ingredients and enriched with aloe vera to leave hands feeling soft and smooth, even after repeated use. It's light scent and rich lather encourage longer washing time.

### Defend

#### *Non-Alcohol Foaming Hand Sanitizer*

VOC Compliant

Convenient, mild, foaming, non-alcohol hand sanitizer formulated to be used without water or towels. Kills 99.99% of most common germs that are of public health concern.

## Hand & Body

(Medical Clinics, Nursing Homes, Hospitals, Health Clubs, Shower Rooms and Rest Rooms)

### Germ-A-Stat

#### *Anti-Bacterial Skin Cleaner*

VOC Compliant

Extra gentle hand cleaner that kills harmful bacteria that can cause disease. Formulated with mild cleaning ingredients and enriched with moisturizers to leave hands feeling soft and smooth, even after repeated use.

### Germ-A-Clean

#### *Hand & Body Skin Cleanser*

VOC Compliant

Enriched formula leaves skin and hair soft and smooth. Highly viscous. Lemon scent.

### Sink 'N Shower

#### *Hair & Body Shampoo*

VOC Compliant

Produces rich lather and leaves hair and skin feeling soft and smooth. Floral scent.

### Island Shower Spa Soap

#### *Hair & Body Shampoo*

VOC Compliant

Mild, pH balanced hair and body shampoo. Piña-Colada scent.

## Powder

### Borax Base

#### *Powdered Hand Cleaner*

Dissolves completely in water. Reaches deep down to clean embedded grease and grime.
